[What are the Certification Ranks?]

The Fujisawa Products Certification Ranking system started in 2017. 'Fujisawa Products Promoter Shops & Restaurants' are ranked based on the amounts of local products used in the menu/ processed products (♥♥ shops/restaurants use more local products than ♥ ones).

※Please be noted that not all the ingredients of the meals/processed products used by the Promoter Shops/Restaurants are Fujisawa products. Seasonal/fresh/limited quantity products may not be available during certain seasons/shop hours.
